

NoteBox 5

Grip for padlock

NoteBox 5 is a compact storage and charging solution for 5 tablets or similar size devices.

NoteBox 5 is a compact and practical small storage box that holds up to 5 tablets, iPads or similar size devices. Tablets can be charged in the locked NoteBox via 5 power outlets.

It is easy to hang the NoteBox on the wall in the classroom, staff room or office. Placement of NoteBox is flexible. The small storage boxes can also be placed on a desk or stacked if required.

NoteBox has a secure cable system that prevents cables from getting lost.

With NoteBox you get a small, robust and flexible box for secure storage and charging of up to 5 tablets, or iPads or smaller laptops/Chromebooks.

NoteBox 5 Solutions

- Designed for storing and charging up to 5 tablets, iPads or smaller laptops/Chromebooks.
- The NoteBox is a robust, small steel box.
- The NoteBox has a separate compartment for power and electronic equipment, as well as internal cabling with a security system that prevents the cables from being removed.
- The NoteBox can be fitted with power panels.
- The NoteBox can be placed on a desk or mounted on the wall. It can be stacked with as many devices as necessary.
- The NoteBox is equipped with a grip for padlock as standard. It is also possible to fit NoteBox with a standard key lock or a 6-pinned Ruko mail box lock.
